

## TASK #1

### Find a bird of prey.

Seek out a bird of prey, take a photo of it, and send it to Becky (603-858-9477 or [beckystarr83@gmail.com](mailto:beckystarr83@gmail.com)).

Do NOT send a photo you took before now, a photo someone else has taken, or an AI-generated image.

The fastest wins.

Your time starts now.
